

DEAD BIRDS

SIDES - LISA

The boys all OOH and AHH. Christopher walks back to Lisa.

LISA
What's so funny?

CHRISTOPHER
Nothing.
(quietly)
I'll tell you in a second, come
round the corner with me.

Lisa stares back at the boys and Christopher ducks around a corner to the side of the store.

EXT. AROUND THE CORNER - DAY

Lisa rounds the corner. Christopher walks away.

LISA
Hey, ain't you gonna tell me?

CHRISTOPHER
Nah, it's stupid.

LISA
Chris!

Christopher stops and reluctantly turns back.

LISA (CONT'D)
You gotta tell me now. Victor say
something about me? I'll kick his
stupid ass.

Lisa starts to go back to the boys. Christopher laughs.

CHRISTOPHER
Chill Lisa, he didn't say nothing
about you.

Lisa stops.

LISA
Then, what'd they say Christopher?

CHRISTOPHER
They dared me.

LISA
To do what?

CHRISTOPHER
Nothin'.

Lisa stares down Christopher. Silence.

EXT. STORE FRONT - CONTINUOUS

The boys all pile up at the wall just around the corner from Christopher and Lisa. They nudge and push each other to look around the edge.

EXT. AROUND THE CORNER - DAY

Lisa steps slowly to Christopher and gets right in his face. She crosses her arms.

Christopher finally blurts out...

CHRISTOPHER

They dared me to get you to show me
your-

(beat - fumbling)

Boobs or whatever.

LISA

Ha, You WISH! *Victor* Wishes!

CHRISTOPHER

Well, I didn't ask you, did I?

Christopher starts to walk away.

LISA

Well, what if I did?

Christopher stops -- his eyes wide. Lisa laughs.

LISA (CONT'D)

Well, I won't you perv.

(beat - playing it cool)

But you can tell them I did. See if
I care.

CHRISTOPHER

You should care! You want them
calling you names and stuff?

Lisa drops the cool attitude.

LISA

Of course I care. I ain't stupid.

CHRISTOPHER

Well I ain't gonna do that to you.

Lisa smiles at Christopher.

CHRISTOPHER (CONT'D)
Come on, let's go.

They approach the corner. Matt stumbles out from around the corner, pushed by invisible hands, in front of Christopher and Lisa. Matt covers his mouth as if he's seen something.

MATT
Oh shit!

The other boys crowd around. Victor runs over to Christopher.

VICTOR
Ohhh Shit! You did it?

LISA
WHAT? Shut up, Victor!
